That's why we're delighted to bring you this, our wonderful guide to Dog-Friendly places! There's a wide range of areas to explore that welcome your dog as much as they welcome you, so it's easier than ever to explore the Lake District, Cumbria with your canine companion.

Taking man's best friend with you shouldn't be a barrier when going on holiday. Separation anxiety can be really hard on your pet (and you!) which is why we are delighted that the number of places proud to be Dog-Friendly continues to grow, so you can travel with your whole family.

We've also included a helpful guide to Doggy Etiquette for the countryside, so you can be confident in bringing your pet along in a way that's kind to the local wildlife, farm animals and other visitors.

We hope this guide has everything you need so that you feel at ease taking your pooch with you and making your time in Cumbria pawsome! (Sorry we couldn't resist.)

We would love to see your snaps of you and your four-legged friend exploring our beautiful corner of the world, so please use the tag #thelacetobe on social media so that we can find them!

## DOGGY ETIQUETTE

**Be especially vigilant around livestock**  
Just be aware, it is an offence to allow your pet to bother any livestock. Please keep your dog on a lead and give farm animals plenty of space not to feel intimidated. Cows on the other hand may be more curious, but should they charge toward you, drop your dog lead and run to safety. Your pet will be able to outrun any danger by itself.

**Protect our beautiful wildlife**  
To protect the local wildlife but also your pet, it's important that wildlife should not become distressed. Please keep your dog on a lead and respect any official signage restricting access should you come across them.

**Protect against animal and insect bites**  
Long grass can often be home to insects, parasites and even adders, so please be vigilant. If your pet is bitten by an adder, try not to let it move and consult a vet as soon as possible.

**Pick up after your pooch**  
Always ensure you carry sufficient waste bags during your explorations and that you dispose of any plastic bags in appropriately labelled bins.

**Respect other visitors**  
As much as we love our four-legged friends, please respect other walkers, cyclists and horse riders by keeping dogs under close control.

For more information on doggy etiquette, please visit [golakes.co.uk/dogfriendly](http://golakes.co.uk/dogfriendly)
